Sub : Resumption of 14 days on/off pattern.

Respected Sir,

This is regarding the written and verbal communication received from Rigs and Platforms on the subject cited above.

It has since been 24.3.2020, offshore employees are doing continuous duty for minimum 28 days & onwards due to Covid-19 pandemic without getting any benefit, till date.

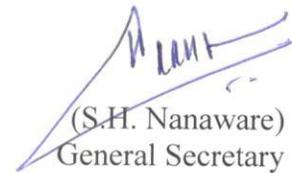

Now, as the situation is being normalized our union is of the strong demand that 14 days on/off duty pattern should be restored immediately. Employees working at offshore are completely exhausted due to this hectic schedule of (14+14) + 7 days duty pattern and are facing lot of medical and family issues.

In view of above, you are requested to resume the duty pattern of 14 days on/off within week time; otherwise we have decided to go for agitation programme i.e. **hunger fast (work without food)** on all offshore installations from 4th March 2021 (Thursday).

We hope you will take positive decision keeping in mind the various problems faced by the offshore going employees.

Thanking you,

Yours faithfully,

(S.H. Nanaware)
General Secretary
