Sub: Arrangements for short time stay for out station ON/OFF offshore employees.

Respected Sir,

As we all are aware that from 14th March'2022 onward the regular ON/OFF pattern has been followed without Covid-19 RT-PCR, the decision is appreciated. Prior to covid-19 pandemic, offshore going personnel were having arrangements to undergo short stay / relax / freshen up at transit accommodation at Santacruz guest house or nearby helibase hotels.

Now considering covid-19 pandemic to be over and non-availability of guest house like facility is hampering convenience of employees in transit (to/ fro). And also existing hotel stay facilities to staff employees are facing non-availability of hotel.

So we demand you to look into matter immediately and make some better for short stay in hotel near by Helibase which could be convenient to coming from / going to offshore duties. A solution could be few hotels nearby Helibase for resolving the issue.

Offshore employees are responsibly reporting on time from far flung locations, abrupt train / bus / flight timings some of them are reaching early morning, which need them to freshen- up.

Resolution could be helpful for management by maintain employee hygiene and relaxing stress in turn coping up with reduction in infection due to Covid-19 and issue should resolved permanently.

You are therefore requested to look into the matter and sort out the issue on urgent bases.

Thanking you,

Yours faithfully,

(Santosh J. Patil)
General Secretary
