Subject – Concerning the facility of fresh-up and changing rooms at Helibase.

Respected Sir,

As referred in the subject matter, this is concerning availability of fresh-up and changing rooms at Helibase for ONGC employees. Since everyone is well aware of the fact that employees posted at offshore join duty from different parts of the country, hence it must also be considered that many of them have to travel overnight to Mumbai from their hometown. While it is understandable that employees can always option for hotels provided by company for overnight stay at Mumbai, but sometimes many are compelled to travel overnight due to transportation or time constraints. Since the process of check-in/check-out at hotels is time consuming and the employees also have to beat traffic while getting to Helibase, it rather becomes inconvenient sometimes to option for hotels during the morning hours as compared to from ONGC guest house in the past. And also, at the time of reporting in morning some crew members are drop due to not availability seats in chopper and are shifted in afternoon chopper. Due to overnight journey of employees they can avail this changing room facility for rest.

Stating the above reasons, it is Management's role to consider that the overnight travelling employees be provided with a rest room facility at Helibase where they can freshen up and change travelling clothes so that they'd also be presentable for joining offshore duty. Hence, expected from you to kindly arrange a room in Helibase premises (to freshen up and change) for these purposes which would bring ease to employees whereas keeping the option of hotels as it is for the employees to choose as per their convenience.

Yours Faithfully,

(Santosh J. Patil)
General Secretary
